

# Official Ramjack Freedom Militia™

## SAFETY SCORE CARD!

1. When and if possible I try to avoid tugging hot wires.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

2. If I decide to skin an animal at the workplace I am extra careful with my bowie knife.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

3. On occasions when I am mixing prescription medications and strong alcoholic beverages I ask a neighbor to help when the copier jams.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

4. I make a strategic game plan to avoid slip/trip injuries in ALL locations that I visit or might visit in the next five years.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

5. I seclude myself from the disabled (their lackadaisical disregard for the adequately safe lifestyle is obvious from their impairments)

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

6. I avoid inter-office relationships especially when they might lead to "rough" sex or rape.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

7. When moving boxes of secret files that must be burnt swiftly I always lift with the knees NEVER with the back or I devise a block and tackle if necessary.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

8. If a supervisor or manager is ambling towards me clutching an open bottle of alcohol I suggest he use a cup/bottle/jug with a lid. Liquid spills can quickly turn into slip/trip hazards.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

9. I walk carefully in clearly lit and well labeled areas avoiding pogo sticks when possible.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

10. I wear protective eye gear at all times. A rogue staple can move at roughly 40mph and cover over 9 miles in distance if not stopped by gravitational pull.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

11. I make sure my coffee is always heavily iced so as to avoid burn injuries.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

12. If I must navigate a stairway I make sure I am not carrying anything that will obstruct my view, check that I am wearing proper footwear, and keep both hands on the the safety rail so as to avoid falls.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

13. To avoid paper cuts that could become infected I never touch the edges of paper instead I clapp it flatly in between the palms of my hands. Using a spatula when necessary.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

14. If a coworker displays possible signs of illness I am the first to initiate a mass quarantine and burning of their personal effects so as to limit the exposure to possible infection.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------

15. Mousepads are dangerous choking hazards. I make sure that comically ironic mousepads depicting food items or in the shape of food items are not being used by myself or my coworkers.

I agree +10 pts	<input type="radio"/>	I don't agree -10 pts	<input type="radio"/>	Not applicable	<input type="radio"/>
-----------------	-----------------------	-----------------------	-----------------------	----------------	-----------------------
